**Pathfinders** happens on Sunday mornings during the 9:30am service, meeting in the Tiger Crypt for loads of fun to explore the Bible together.

**Cornerstone** is the evening service, which starts at 6pm. Although it's pitched more at mid-teens and older, younger ones are very welcome too.

**Rooted** is a 45-minute follow-on session from Cornerstone for young people aged 10-18. We meet in the Tiger lounge with a few snacks to discuss the talk and (try to!) answer questions that come up. We finish by 8pm.

### WHAT

Engage is a youth club run by All Saints Church for **children in school years 6-9** in and around Lindfield. There is a different activity each week, and we conclude with a short interactive talk from the Bible. It is a great opportunity to consider who Jesus is and the difference following him makes today.

### WHERE

Engage meets in the **Tiger building** next to All Saints Church, and occasionally does activities out and about—**look out for the titles in red** opposite. The church has a **car park** behind the Tiger, which is accessed via Dukes Road (turning by the Bent Arms).

### WHEN

The normal times for Engage are **Thursdays** in term time from **7.00-8.10pm**. For off-site activities, we tend to meet earlier and get back later.

### COST

There is usually **no charge** for the Tiger-based activities. For larger off-site events, we invite all those who are able to contribute to the cost.

### WHO

Engage is run by a team of **volunteer leaders** who are members of All Saints. All of them are DBS checked, and undertake Church of England safeguarding training.

### INFO

The youth work at All Saints is being overseen by our Interim Youth Worker, Sarah Neller, but **Matt Easley** is the main leader for Engage; feel free to get in touch.
