

2023 Spring Guirds

FRIDAY EVENINGS IN THE TIGER

ENCRYPT 

WHAT

Encrypt is a youth club run by All Saints Church for **young people in school years 10-13** in and around Lindfield. There is a different activity each week, as well as time to hang out and chat. We conclude with a short talk from the Bible, as we consider who Jesus is and the difference following him makes today.

WHERE

Encrypt meets in the **Tiger building** next to All Saints Church, and occasionally does activities out and about—**look out for the events in red** opposite. The church has a **car park** behind the Tiger, which is accessed via Dukes Road (turning by the Bent Arms).

WHEN

The normal times for Encrypt are **Fridays** in term time from **8.00-9.30pm**. For off-site activities, we tend to meet earlier and get back later.

COST

There is usually **no charge** for the Tiger-based activities. For larger off-site events, we invite all those who are able to contribute to the cost.

WHO

Encrypt is run by a team of **volunteer leaders** who are members of All Saints. All of them are DBS checked, and undertake Church of England safeguarding training.

INFO

The youth work at All Saints is being overseen by our Interim Youth Worker, **Sarah Neller**, and she is also the main leader for Encrypt — feel free to get in touch (details overleaf).

There is a **weekly email for parents/carers** with a reminder of the activity, and details of how to book if required. Please contact Sarah if you would like to join the mailing list.

Cornerstone is the evening service, which starts at 6pm (5.45pm, if you want a coffee). It is put together with young people in mind, and lots get involved in music, reading and leading prayers — come along and get involved!

Routed is a 45-minute follow-on session from Cornerstone for young people aged 10-18. We meet in the Tiger Lounge with a few snacks to discuss the talk and (try to!) answer questions that come up. We finish by 8pm.
