

Women Together

Programme 2024-25

AUTUMN BREAKFAST

5 OCTOBER 8.30-10.30AM

Many of us would say we are friendly with lots of people, but how many of us have the sort of friendships that really help us grow in our relationship with God?

We'll explore how our Christian friendships might become more real, looking at the themes of vulnerability and honesty from a couple of Proverbs.

Some sharing from the front and plenty of time to share in small groups.

ADVENT OUTREACH

23 NOVEMBER 8-9.30PM

Our pre-Christmas outreach.

With a warm welcome, mulled wine and festive treats, an optional Advent-themed craft, plenty of time to chat and a testimony to help deepen your conversations.

Why not start praying now about who you could invite?

SPRING BREAKFAST

1 MARCH 8.30-10.30AM

Often, we feel helpless as we support our friends. Prayer isn't always our first thought. When we do pray, we might lack confidence.

We'll explore what the Bible shows us about how to pray for one another as we continue our theme of walking together in the light.

Some sharing from the front and plenty of time to share in small groups.

THE BIG NIGHT IN

10 MAY 6-9.30PM

In a year's time it will be our next weekend away, so come and join us for an extended evening together!

We all love to hear someone's story of how God has worked in their lives. But how confident am I that God can build others up through my story?

We'll explore our place in God's purposes for building up his church.

Some sharing from the front and plenty of time to share in small groups.

PIMMS & PUDDING

28 JUNE 8-9.30PM

A relaxing summer's evening to finish our year of Women Together.

Enjoy each other's company over a glass of Pimm's and a pudding as well as a time of sung worship and testimony to encourage us.

This year's programme is shaped around walking together in the light.

You are welcome to join us whatever your age or stage of life. Our welcome extends beyond the door to the table, where table hosts will make sure all are included.

All our events happen on Saturdays in the church. They alternate between morning and evening to acknowledge different preferences. Each event will stand alone, so even if you can only come to one, please do! We love to create time and space to meet new people, deepen relationships and learn from and encourage each other.
