Sermon: How to live the Life God intends for You?

Reading: Luke 6: 36-45

Date: 20th October 2024 (AM)

## Introduction

*Have you had any answers to prayer in the last week? Any opportunities to talk to someone about the Lord? Any encouragements from your Bible reading? Spend a few minutes sharing personal prayer requests and pray for one another.*

## Bible Study

*[Leaders, no questions suite every small group. Please adapt them to your own group]*

### **Read Luke 6:36-45**

- Can you think of a time you felt judged or you judged someone else?
- What does Jesus mean by 'judging' and how does that affect our everyday actions?
- How can we hold others accountable for their actions without condemning them?
- Why is it easier to find fault with others than ourselves?
- How can acknowledging our own weaknesses affect the way we approach others?
- What fruit should be found in the Christian life? How does that fruit come about?

*Let's pray that we have honest views of ourselves that we might be able to be merciful to those around us.*
