

Dear Friend

Last October we marked our annual Stewardship season. Our theme this year was *Eternity: Treasure in Heaven*. I simply wanted to follow up by thanking all those who have given so far, as well as those who plan to give in 2026. The generosity of the church family has been remarkable – not least because this year we have also given to the works on our Tiger building (the 'Under One Roof' project) which we expect to begin in a few weeks.

We are humbled and grateful to the Lord for those who are joining us week by week. We look back to a busy Christmas season with many opportunities. And we are prayerful for the two Alpha courses currently being run, asking that many would come to know and follow the Lord Jesus themselves. As we learn from Paul's letter to the Ephesians on Sunday mornings and in our Connect Groups may our vision grow of what it is to be God's church *together*. Thank you for all you do, give and most of all for your prayers.

Can I thank again our finance team, along with the finance committee chaired by Roy Ransley, who carefully steward our giving to serve the Lord in All Saints and beyond. I am pleased to say that based on the pledges received to date, All Saints' targeted increase in giving has been exceeded and this will enable All Saints to achieve its 2026 expenditure plans in full.

Meanwhile, thank you once again for your partnership in the gospel.

Yours in Christ

Steve Nichols, Vicar
